

To all Business Owners:

The Connecticut Dressage and Combined Training Association is a nonprofit organization dedicated to providing opportunities to train and educate riders in the state. We strive to give our members an affordable experience by creating scholarships that aid members in paying for clinics, seminars, and training sessions. The Club is run entirely by volunteers with a goal of making equine education accessible to Connecticut equestrians. While we are a frugal organization, none of this would be possible without the support of generous sponsors.

Confucius once stated, "He who wished to secure the good of others, has already secured his own." By sponsoring one of our events, you would be providing opportunity for both the club and your business. Horse shows attract many different types of spectators who have interests in a broad range of products and services. Whether you are a farming business or one who thrives in the suburbs, you are bound to find someone involved with club activities who is interested in your line of work. Any contribution, be it large or small, can be beneficial for both CDCTA and you. All sponsors receive not only the Club's gratitude, but also widespread acknowledgement at our events and on our website, www.cdctaonline.com, throughout the year.

While we recognize that you receive many requests for donations, we hope that you will view sponsorship as an affordable means of advertising, as well as providing assistance to CDCTA in furthering its equestrian goals.
